SAVE OUR COMMUNITY

SAY NO TO TESCO

Planning application reference: 2010/0875/01/OUT

We the undersigned strongly oppose the submitted plans for a large 24 hour Tesco supermarket at the General Hospital site in Newcastle upon Tyne. We are opposed to the significantly higher levels of noise, air pollution and traffic that the Tesco site in particular will generate. The size of the store will mean local shops and jobs will be lost – our local community will be devastated by Tesco. The simple fact is that we do not want this giant store. We urge the Council to reject the application by Tesco and consider different proposals that would benefit our community in the west end of Newcastle.
